## LIMITED RECREATIONAL WARRANTY

### LIFETIME HULL WARRANTY

Inventech Marine Solutions, LLC (hereafter “Inventech Marine Solutions” or “IMS”) warrants to the original purchaser for the **lifetime of ownership**, that each boat hull shall be free from structural defects due to material or workmanship under conditions of normal non-commercial, military, law-enforcement, racing or other non-recreational use, subject to the exclusions below. This warranty is non-transferable.

### LIMITED SUPERSTRUCTURE AND ACCESSORY WARRANTY

Superstructure and accessories manufactured by IMS are warranted for a period of **5 years** from the date of delivery. Excluded from this warranty are accessories, materials, fixtures, devices, components and systems not manufactured by IMS that carry their own, separate warranty which is passed through to the customer to administrate. Specifically excluded from this warranty (but not limited to) are windshield/window/door breaks and leaks, engines, engine components, steering systems, electronics, propellers, batteries, anodes, electrical components, accessories, trailers, and any other component that may (or may not) be covered by a separate OEM warranty. See the list of exclusions below for further details. This warranty is non-transferable.

### LIMITED INSTALLATION WARRANTY

All mechanical systems and components installed by IMS are warranted for 90 days from the date of delivery; that installation of these items will be free from defects in installation workmanship. Specifically excluded from this warranty are customer supplied parts and accessories, top side and bottom paints, non-skid, upholstery and canvas enclosures.

### LIMITED COLLAR WARRANTY

FAST collar systems and components are warranted as follows:

- Outer collar membrane is warranted for 5 years from the date of purchase against seam failures and delamination. Specifically excluded is damage due to abrasion or puncture.
- Interior air bladders are warranted for a period of 5 years from the date of purchase from failure. Specifically excluded is damage caused from high impact or over pressurizing.

- (e) Tears, fading, discoloration, deterioration, damage, or mildewing of curtains, cushions, tops, headliners, cockpit, sole covers or other fabric or upholstered components.
- (f) Blistering, fading, chalking or cracking of any paint, or metallic finish, minor cosmetic defects and air voids.
- (g) Electrolysis, galvanic corrosion, crevice corrosion or any other deterioration of underwater components. Any damage or deterioration to any metal surface (above or below the water line), including but not limited to painted metal or stainless steel finishes or zinc anodes.
- (h) Statements, advertising or representations that estimate the speed, weight, fuel consumption and other performance characteristics of the vessel.
- (i) Components repaired or replaced unless repaired or replaced in accordance with this warranty.
- (j) Installation of engines, jack plates, parts or accessories installed or repaired by anyone other than Inventech Marine Solutions.

## COMPANIES RESPONSIBILITY

Inventech Marine Solutions obligation under this warranty is limited to repairing or replacing the hull, superstructure, manufactured accessories or collar component that has been determined, solely by IMS, to be defective in material or workmanship during the warranty period. No work may be performed without the written authorization of IMS. If a warrantable defect in materials or workmanship is determined by IMS to have occurred within the warranty period, IMS will give written instructions on how repairs will be administrated. IMS makes no other express warranties, and intends no implied warranties. Implied warranties of fitness and merchantability are also specifically excluded. IMS also disclaims any liability for product failure or other economic loss arising from claims of negligence, defective design, manufacturing defect, failure to warn or instruct, lack of seaworthiness, and any other theory of liability not expressly covered by this warranty. IMS will not be liable for incidental or consequential damages including but not limited to, loss of profits, rental of replacement equipment, or other commercial loss. IMS reserves the right to utilize reconditioned, refurbished, repaired or remanufacture parts in the warranty repair, replacement process. Such products may be of a different design or material but will be comparable in function and performance of the original product or part. Warranty repairs and replacements are warranted for the remainder of the original warranty. IMS reserves the right to change and improve its products, designs and materials in new construction and warranty repairs without the need to incorporate those changes on existing boats. Speed weight, fuel consumption and other boat characteristics are estimates and cannot be guaranteed. Warranty provisions can vary from state to state and you may have specific rights and warranties that vary from state to state.

#### OWNER'S RESPONSIBILITY

No warranty repairs are to be carried out without the expressed written authorization of IMS. Inventech Marine Solutions must be notified, in writing, within 30 days of any claim. Warranty work shall be performed at IMS manufacturing facility and it is the responsibility of the purchaser for all costs and logistics, haul out, trailering and delivering the boat to the factory. This warranty is valid only to the original purchaser and is not transferrable.

None of these warranties are valid for systems that have been modified or structurally altered or subject to unreasonable use, improper docking or storage, lack of reasonable and proper maintenance, negligence or accident.
